

Honeywell Aerospace Electronic Systems filed comments regarding the referenced NPRM on May 24, 2005, confirmation number 2005524449196. The Honeywell comments were prepared by E.F.C. LaBerge, Senior Fellow at Honeywell's Communications and Surveillance Center of Excellence in Columbia, Maryland. Honeywell requests that the Commission consider the comments prepared by Dr. LaBerge (2005524449196), and only those comments, as the official position of Honeywell regarding the subject NPRM. In particular, the comments of David Sullivan-Nightengale, filed on May 17, 2005, represent his personal view and not those of Honeywell.
